

## JOB ANNOUNCEMENT: 08 QUANTITATIVE RESEARCH SCIENTISTS

**Location** : Hanoi, Vietnam  
**Salary** : \$2000 / month + \$10.000 annual commission

We are **Manpower Development Company (MDC)**, a professional headhunting firm, whose services are seeking and recruiting qualified candidates for big companies and corporations.

Our Client is a private institutional investment management complex, consisting of an international team of researchers, traders and technologists who constantly work toward even greater quantification and automation in the development of its trading processes. As a step for approaching Vietnam by company establishment in 2011, they are urgently recruiting **08 Quantitative Researcher Scientists** for this start-up. The detailed job description is as below:

### KEY RESPONSIBILITIES

- To create quantitative and computer-based models to predict the movements of worldwide stock markets and financial markets.

### REQUIREMENTS

- Possess or expect a BS degree from one of Vietnam's top universities in a highly analytical field, such as:
  - \* Engineering
  - \* Mathematics
  - \* Physics
  - \* Computer Science

or any other field that is highly analytical and quantitative;

- Candidates need not have prior knowledge in quantitative field but must have a strong interest in learning about it;
- Ranked as top 10% in class for bachelor's degree;
- Vietnam Math Olympic medal is an advantage;
- Have a research scientist mindset, i.e., be a deep thinker, creative, persevering, smart, a self-starter, etc;
- Be competent in a programming language (C++ or C);
- Understand English;
- Have a strong interest in learning about worldwide financial markets;
- Have a strong work ethic.

## **BENEFITS**

We offer outstanding career opportunities, which include:

- Exceptional financial rewards for full time researchers (**\$ 2,000 or above for seniors** plus \$10.000 bonus at the end of the year);
- Successful candidates will join a training course in Beijing, China for 3-6 months and then go back to work in Hanoi City;
- Friendly and collegial working environment;
- Opportunity to be promoted to Assistant Vice President in 2 to 4 years;
- Opportunity to learn from highly successful investment experts.

## **APPLICATION PROCEDURES**

- 1) An **updated resume in English** with your full contact information, education, academic awards, working experience, attached with your transcript.
- 2) At least 2 referees including name, title, phone number, and email address to:
